Professional Chef's Kitchen

Spacious View Dining Room

Luxurious View Location

- Dramatic Ocean Views
- Dawn to Dusk Sunlight
- Upper and Lower Decks
- Sun Drenched Patio
- Inspired Floor Plan
- Upper and Lower Masters
- Indoor Outdoor Living
- Sensational Gardens
- Preserved Natural Terrain
- Contiguous to Open Space

Understated elegance, unassuming stature.

With perfectly balanced proportions, floor to ceiling windows, sited on a generous lot surrounded by open space, this family friendly abode will surpass your coastal home dreams. Quietly located on a gently rolling hillside provides vistas through verdant open space to the ocean while grounding the house to the earth and emphasizing stability and permanence. South facing orientation provides optimal light and views with upper level covered balconies and a generous ground level patio perfect for indoor outdoor living.

Two Luxurious Master Suites

Elegant View Master Bedrooms

Family friendly floor plan, upper and lower master suites.

Equally well suited for full-time living or vacation destination, this home has a fabulous chef's kitchen, open living-dining floor plan, double master suites, two fireplaces, family room, skylights and office complete with a murphy bed. The four bedroom, four bathroom layout lends itself to the lucrative vacation rental market, multi-family getaways, or intimate gatherings. Enjoy Bodega Bay Harbour amenities: golf, heated pool, gym, clubhouse, bar, restaurant, bocce ball, beach and Bird Walk Coastal Access Trail, wine tasting, and art galleries.
